SAN FRANCISCO

COLMA AND DALY CITY

STREET ADDRESS LIST

June 12, 1933

This Street Address List is leased for a period not exceeding six months from date of delivery, and shall be surrendered to the Telephone Company at the end of that period or at the time of delivery of a replacement copy of the Street Address List.

Property of

The Pacific Telephone and Telegraph Company

482

THE following pages contain street address listings of The Pacific Telephone and Telegraph Company telephone customers in San Francisco, Colma, Daly City and such customers in South San Francisco as are served from the San Francisco exchange.

The listings are arranged by street address number under the name of the street. The named avenues and streets appear first, followed by the numbered avenues and streets. Customers located in buildings or apartment houses are listed alphabetically according to street number of the building.

Streets having the same name, located in two or more cities, are listed alphabetically by cities, Example: A Street, Colma, would be listed before A Street, Daly City.

In the listings only the first two letters of the central office name are shown.
